Subject: Collaborative opportunities to promote the Culture of Innovation & entrepreneurship

Atal Innovation Mission (AIM) is an initiative by Government of India under the aegis of NITI Aayog. AIM promotes and create a culture of innovation and entrepreneurship across the country by providing a platform for collaborative opportunities among stakeholders, partners and beneficiaries through Atal Tinkering Labs (ATLs), Atal Incubation Centers (AICs), Atal Community Centers (ACICs), and Atal New India Challenges (ANIC).

2. Grant-In-Aid of 2.5-10 cr. A grant-in-aid of up to Rs 10 crores for AICs and 2.5 crores for ACICs would be provided to the applicants after due diligence. Those who are interested can apply in <https://www.aim.gov.in>.

3. All NPS intermediaries are encouraged to explore the Fintech and other opportunities under AIM towards building a pensioned society and an organized retirement solution.

4. A detailed proposal can also be submitted to *fintech-data@pfrda.org.in*.

Yours Sincerely

Chief General Manager
